

# The New HHS Pool

What can it do for you?

# What the HMS pool is used for now:

- Middle school physical education class
- High school boys & girls swimming and diving team
- Tigershark swim team
- Open swim
- Learn to Swim in the summer

What additional  
educational, extracurricular,  
and community purposes  
the NEW pool could be  
used for...

# NEW pool's potential as an Academic Facility:

- Swim Lessons for the Brickie Kidz day care
- Lifeguard and Water Safety Instruction Certification
- Fishing class
- Lifetime Recreation Class (kayaking, scuba diving, snorkeling)

# NEW pool's potential as an Academic Facility cont. :

- Boating Safety class
- Career Day (demonstrations of different aquatic careers could take place there)
- Elementary swim classes
- High school physical education swim instruction classes and fitness classes

# NEW pool's potential as an Academic Facility cont. :

- Cross curricular activities can utilize pool:
  - Math class measuring volume
  - Math class testing force using the diving board fulcrum
  - Science/Health testing the water as the Health Dept. would
  - Science classes measuring humidity compared to other parts of the building
  - Health/PE measuring heart rate from swimming compared to other physical activities
  - Video class could tape active swimmers to learn correct procedures to film individuals in motion in water

# NEW pool's potential as an Extracurricular Facility for students:

- High school boys & girls swimming and diving team
- Other athletic teams can use to cross-train & pool parties
- Off season diving team
- Triathlon team
- Swim Stroke Clinics
- School City of Hobart Employees Open Swim Sessions

# NEW pool's potential as an Extracurricular Facility for students cont. :

- If pool meets IHSAA (Indiana High School Athletic Association) standards, pool could be used or rented out for:
  - Championship meets such as Conference, Sectionals, large invites
  - Teams can rent out lanes for practice time, especially if we're a 50 meter pool
  - Diving teams could rent our boards to practice on with our elite, new facility
  - Pool parties

# NEW pool's potential as a Community Facility

- Rehabilitation from hospitals, nursing homes, or prescribed physical therapist exercises
- Year-round “Learn to Swim” program
- Family Fun Nights
  - Daddy Date night
  - Just Me and Mom night
- Classes: infant, adult swim, prenatal, aerobics, etc.
- Weight Loss Programs for adults, children, and families
  - “Swim to a New You”
  - “Swim Your Way to Fitness”

# NEW pool's potential as a Community Facility cont.

- Snorkeling and scuba class
- Kayak lessons
- Police and Military practice and training sessions
- Master's Swim Club
- Community Lifeguard and Water Safety Instruction certification (could also include CPR and AED)
- Diving Lessons
  - Could be carried over to other community bodies of water (i.e. Lake George, Robinson Lake, Big Maple Lake, etc)

# NEW pool's potential as a Community Facility cont.

- Boating Safety classes
- DNR Water Fowl/Fishing clinics
- DNR Go-Fish program to teach children how to fish
  - HMS PE classes currently use this program as well
- National Lakeshore safety classes
- Radio Controlled Motorized Boats class
- Triathlon Club

Thank you so much for your  
time!

Any questions?
