GENERAL INFORMATION:

The Hobart Lady Brickies Basketball program is running a winter basketball camp for any girl currently in grades K-7. It will be a time where our coaching staff can work on the fundamentals of the game of basketball. More specifically, we will work on dribbling, passing, shooting, and footwork drills (teaching proper technique). In addition, our high school Lady Brickies will be helping coach our campers, and showing our campers how we practice fundamentals within our practices at the high school.
