## **The Brickie Community Health Clinic is here for YOU and your children!**

Conveniently located at Hobart High School, the Brickie Community Health Clinic is available exclusively for School City of Hobart families. The clinic offers basic primary care services including physical exams, flu shots and other immunizations, as well as risk prevention and chronic illness management. Use the clinic when you can't get in to see your regular primary care provider.

Stop in or make an appointment today to take advantage of the convenience our clinic offers to help keep your and your children healthy, happy and ready to learn!
