

Everyone has a dream for the future. As educators and parents, it is our job to help students develop a PLAN so that their dreams can become their reality. The School City of Hobart is eager to begin utilizing Career Cruising at all levels across the district. This comprehensive tool is an engaging and inspiring career learning program which allows students to develop a plan for the future and explore what it takes to accomplish their goals.

WHAT IS YOUR PLAN?

Every child should have a PLAN! Where is your child in the planning process? Take a look at the checklist to see all of the components of Career Cruising that students can access right now! These are also the tools necessary to create their own dynamic portfolio that can be used even after graduation.

Yohan's Plan

When your child logs in to Career Cruising, it will look just like Yohan's Plan below. They can click "My Plan" to open their personalized portfolio, or click the tabs at the top to start exploring.

Check List

What has your child utilized in Career Cruising?

- ☐ Interest Assessments (Career Matchmaker)
- ☐ Save Career Majors
- ☐ Visit Colleges to Match Career Majors
- ☐ Plan Classes
- ☐ Make Goals
- ☐ Record Activities & Awards
- ☐ Look for Scholarships
- ☐ Build a Resume
- ☐ Utilize the ACT prep component

Explore Assessments

Students have the ability to take multiple assessments in order to see which careers they might enjoy, understand their learning styles, and also see how their current abilities compare to those in a certain career field. **Career Matchmaker** is the first step to developing their plan. Once complete, they can save careers to "My Plan" and explore future careers at any time.

MY CAREERS

By completing the Career Matchmaker Interest Assessment, students are able to answer questions to find careers that might suit them best. From there, students can save those careers and find out detailed information about each occupation.

MY CAREERS

Once students save careers to their PLAN, they can go back and learn even more about each one. Yohan's Career Matchmaker results suggested **Construction Manager**. After clicking, a plethora of useful information comes up. Another option is for students to just search for careers they want to learn more about!
