

Teaching and Learning Action Plan #3a: Curriculum

Improvement Goal:

All students will increase academic achievement with a specific focus on language arts and problem solving across the curriculum.

Objective(s) for Student Learning:

All students will receive a curriculum that is challenging and rigorous.

Target Participants:

All students in the School City of Hobart

Interventions:

Curriculum Instruction and Assessment:

The school-wide language of instruction is used regularly by faculty in their professional learning communities.

All students will receive a curriculum based on defined expectations for student learning from the Indiana Academic Standards (IAS).

Students participating in career academies will use the defined curriculum set forth by the industry and or institution that established them.

All students will increase skills identified in the Indiana Academic Standards as a result of regular data analysis to inform instruction and curricular needs as identified from professional learning communities.

Student Support:

Students will participate in Response to Instruction (RTI) Tiers based on achievement and behavior levels.

Students will participate in enriched and high ability courses based on achievement levels.

Students who qualify for additional services will be provided extra instructional support.

Staff:

All students will increase academic skills as a result of teacher participation in professional learning communities.
