

Hobart Middle School Credit Recovery Program

Session 3 (April 15 – May 31)

Dear HMS parent,

Hobart Middle School requires the successful completion of 20 credits per year for promotion (an average of 5 credits per quarter). For students who are lacking the credits they need for promotion, credit recovery will be offered after school at **\$30.00 per class (credit)**. Students may enroll in all four classes **per session** (quarter), however, enrollment is limited to 32 students per class. Therefore, students will be enrolled in Credit Recovery on a first come first serve basis.

To receive credit in the recovery program, students must participate until all assigned work is successfully completed. **Per teacher discretion**, students who complete the credit recovery work successfully before May 31st will be dismissed from remaining work in that particular subject area.

Payment for the program **does not** guarantee that credit will be earned. Students who are non-productive or disruptive in the program will be asked to leave and will forfeit the credit and fee(s).

Credit Recovery Session 3 will begin **April 15th** and will end **May 31st**. Students will report to the appropriate teacher's classroom at **2:40** on the day(s) of the week listed, and will be dismissed at **4:00**.

Credit Recovery will be offered in the subject areas below, the day of the week and teacher to be announced later:

Monday	Math	Ms. MacDonald	Room #2607
Tuesday	Social Studies	Ms. Arney	Room #2115
Wednesday	Language Arts	Mrs. Mast	Room #2315
Thursday	Science	Mr. Albertin	Room #2106

Parents are responsible for transportation. No buses will be provided for credit recovery students. The building will be closed immediately after the session so students must leave or be picked up promptly.

Please complete the form on the back side with payment by **Wednesday, April 10th** and return to the **Guidance Office**.

Hobart Middle School
Credit Recovery: Enrollment Form
Session 3

Student Name (please print)

Grade

Will attempt credit recovery for the following subject area(s) (mark one or more):

- | | | | |
|-----|----------------|---|------|
