

Homework

Monday-

Math-HL 3.9

Reading- Read 20 Minutes

Spelling- Unit 10 Words Tic Tac
Toe Sheet (Due on
Friday)

Tuesday-

Reading Read 20 minutes

Math- Study Guide

Wednesday-

Reading- Read for 20 minutes

Math- Time Sheet

Thursday-

Reading- Read for 20 minutes

Math- HL 4.1

Spelling- Tic Tac Toe Sheet

Friday-

Reading- Read for 20 minutes

Math - HL 4.2

Quizzes For the Week

Wednesday- Math Unit 3

Friday- Reading, Vocab., Grammar,
Phonics, & Spelling

Vocabulary

Simple
Millions
Weaker
Drift
Wrapped
Disgusting
Choices
Decide

STUDENTS SHOULD KNOW THE
WORDS AND THEIR MEANING.

Behavior

Please make sure you are checking your child's behavior sheet each night. The students are to track their weekly/monthly progress.

Time & Money

Please continue to help your child practice counting money and telling time. This unit was very hard for the whole class. We will continue to review as the year goes on. The children should be able to solve math problems using dollars and cents as well as tell time to the minute by the end of the year. I know this is tricky.

Have children count the change-ask how much more money do I need to make a dollar? Ask children what time it is-what time will it be in 30 minutes, 15 minutes, and 5 minutes?
