

Reading Strategy

Check For Understanding

When reading with your child at home...

1. Stop periodically and say, "Let's see if we remember what I just read. Think about **who** the story was about and **what** happened." Do this 3-4 times during the story depending on the complexity of the story.
2. When reading to your child, stop and have them practice checking for understanding by saying, "I heard you say..."
3. Ask your child the following questions:
 - Who did you just read about?
 - What just happened
 - Do you understand what was read?
