Meet The Rosows

Today the students
"Skyped" with our host
family in Madrid, Spain. We
were able to learn a few
interesting facts about their
school (they have to bring all
of their books back and
forth with them everyday,
they don't have drinking
fountains (they have faucets
to fill up their water bottles,
and they have classes
taught to them in Spanish
and English. We will Skype
each week to learn more
about Madrid and how life
is the same or different than
us. Ask your child about
more interesting facts!
