## Parent Pipeline

Reading Strategy: Read Appropriate Level  
Texts that are a good fit.

When your child reads a text, have them use the I-Pick method to explain why that text was chosen. Ask your child, "Is that a good-fit book for you?"

*I-Pick Method:*

I- I pick a book

P- Purpose (What is my purpose for choosing the book?)

I- Interest (Am I interested in this book)

C- Comprehend (Do I understand what I just read?)

K- Know (Do I know most of the words?)

Help your child recognize when a text is too difficult. They are to ask:

- Are there five or more words on a page that I don't know?
- Is this book hard to understand?
- When I read it does it sound choppy and Slow
