Café Strategy

Ask Questions Throughout the Reading Process.

- Model this questioning process by reading to your child and stopping during the reading to question what is going on in the text.
- "What does this mean?"
 - "Is this important?"
- "How do I think this story will end?"
 - What does this word mean?"
- "Do I need to read this again?"
- Encourage your child to write down their questions as they read. Be sure the focus is NOT about finding correct answers, but is on curiosity, wonder, and asking provoking questions
- Learning to ask questions throughout the reading process is an important reading strategy because it teaches a reader to think aloud.
