## Read Across America

Join in celebrating reading with your child February 27-March 3rd! Enjoy books together at home each night. We all know how fun Dr. Seuss books can be with his silly rhymes and made up words. These books not only bring enjoyment to reading, but also help students learn the skill of rhyming and pace when reading. Students are invited to dress up this week to celebrate different Dr. Seuss books. Check out the calendar to learn more about what to wear.

## Kindergarten Corner (Tips for Helping Your Child)

- Your kindergartner is a reader!! Encourage your child to read his/her "just right" books at home.
- Not only is it important for students to learn to read words, but it is important for them to also think about what they are reading to **comprehend the story**. When reading at home, remember to ask your child questions about what happened in the story. Talk about the beginning, middle, and end. You can do this when watching movies too!
- Keep practicing the **sight words**! The students are learning about 6 new words a week! Try having your child use them in their writing too. Their words should match their picture.
- Number sense and problem solving** are important skills to develop at this age.
- Look out for our next **Kindergarten and Coffee Parent Meeting** to learn more about your child's development and how you can support your child at this age.

SAVE THE DATE: MARCH 17TH, 2017

## Calling All Future Kindergarteners!

Calling all future kindergarten students for Kindergarten Kick-Off! The Early Learning Center at George Earle will be hosting a Kindergarten Kick-Off on Monday, April 17th at 6 p.m. to welcome all incoming kindergarten students and parents. Future kindergarteners and parents can meet the kindergarten staff, learn about curriculum, prepare for registration, and get answers to frequently asked questions. It is a great night for some fun and learning! Help spread the word.
