Dear 403(b) Participants:

Aspire has made some exciting new changes to their participant website! You can now view, add and change your 403(b) beneficiary information through your online account. To access this information, log into your Aspire account and go to “My Info” and then “Beneficiaries” on the left side of the screen.

- **To add beneficiaries**, click the “+” button at the bottom of the page.
- **To change existing beneficiary information**, click the underlined beneficiary type (primary or contingent) next to the individual’s name.

It is your responsibility to enter beneficiary information via your Aspire login. If you do not, the most recent beneficiary information on file at your local HR office will remain in effect.

If you have any questions, please contact us: info@schambergroup.com

Sincerely,

A handwritten signature in black ink that reads 'Elaine M. Schamber'. The signature is fluid and cursive, with the first name 'Elaine' and last name 'Schamber' clearly legible.
