

NOTIFICATION TO PARENTS REGARDING STUDENT RECORDS

The building principal is the Custodian of Records and is responsible for the supervision of student records at the school.

Each student's records will be kept in a confidential file located at the student's school office. The information in a student's record file will be available for review only by the parents or legal guardian of a student, and eligible student who is eighteen (18) years of age or older, and those authorized by Federal and State statutes and regulations, School Board policy and School Corporation administrative guidelines.

A parent or eligible student has the right to:

The Custodian of Records will notify the parent or eligible student of the time and place where the records can be inspected.
- B. request amendments if the parent or eligible student believes the record is inaccurate, misleading, or otherwise in violation of the student's rights.
