MAKING COLLEGE AND CAREER READY BRICKIES

May 1, 2016
Volume 1, Issue 5

The Brickie Bulletin

POPULAR TEEN APPS

Do you know what apps your teenager is using, the purpose of the app, and how to use the app? There is a great article on www.common sense media.org that discusses apps students are using after Facebook. Social media apps allow students to share information, pictures, etc., but they also can get students into trouble when not used responsibly. Hobart High School staff talks to students about their digital footprint and the dangers of social media, but we need parents to help. Talk to your child about social media responsibility, and check out the article titled "16 Apps and Websites Students are Headed to After Facebook" at www.common sense media.org/blog/16-apps-and-websites-kids-are-heading-to-after-facebook#.

Brickie Safety Tip Line

Students are encouraged to report concerns about suspicious activity in our schools at **942-TIPS**. All calls are anonymous. Remember-there's no safety in silence.

A MESSAGE FROM THE PRINCIPAL

Parents- with just about a month left in the school year, student attendance is critical for student success. We know that the nicer weather tends to have a negative impact on student's attendance which then directly effects academic performance. We live in a competitive society where post-secondary options for our students are dependent on a student's GPA, grades, and ability to exemplify the Employer Expectations. That being said, the short term decision that our students may make regarding attendance and completion of classroom assignments can cause long term harm to a student's academic record.

One of the best things that parents can do to help in this area is to continue to take an active role to help students stay focused. Establishing routines and dialoging with your child regularly about attendance and classroom work can have a positive impact. If at any time you feel you need information from a teacher- please reach out via email or call. We must work together in this and communicate regularly. Administrators are also available at any time should you have questions or concerns. Together we can encourage students to not let "Spring Fever" negatively impact their academic success!

HOBART HIGH SCHOOL

SCHOOL CITY

HOBART

Success for all Students

Spanish Club Partnership

Every Gold Thursday the Spanish Club hosts the Spanish Language Partnership Program. Students have the opportunity to speak with native speakers as they work on their fluency. This is a great experience for our HHS students.

SUMMER SCHOOL

Summer School signups have been extended to May 13. Have your student sign up through his/her guidance counselor this week!

What does an employer expect of me as an employee?

1. Show a positive attitude
2. Work well with others
3. Follow directions
4. Arrive to work on time
5. Recognize problems and find solutions
6. Manage time effectively
7. Apply good listening skills
8. Be honest and dependable
9. Know the need to pass a drug or background check
10. Dress properly and practice good hygiene

Got what it takes?

Center of Workforce Innovations | WorkOne

Mr. Klukken, a guidance counselor at HHS, has been talking to students about their PSAT scores. He has been visiting classrooms and helping students sign into their College Board accounts to view their scores and percentiles, and he has also helped them link their scores to Khan Academy. Khan Academy is a free online resource that strategically designs review activities for individual students. Khan is a great, free resource to help students improve scores!

Upcoming Dates

May 3-6: Algebra ECA

May 6: Hall of Scholars Dinner

May 13: Heart that Smiles Dentist
