## Curriculum Offered Through Compass

Students have access to Brain Buzzers, LA extensions, Language Arts, Math, Science, Social Studies and Thematic Projects. The curriculum that is offered to your child is at his/her grade level. As your child completes assignments the program will monitor the progress and adjust levels according to the students needs. Below is a picture of the student's curriculum once they login.

Click here to access your learning path based on NWEA testing.

Student's name will appear at the top of the screen.

This area is called the student's Launch Pad. Activities based on state standards will appear for students. Click on the icons to access activities and quizzes. Orange rings around the icons indicate that assignments and activities are ready for the student. Students' progress will be monitored by teachers and reported to them directly. Have fun and enjoy learning. Assignments can be started and finished as a student logs in.
