Get your child's ISTEP+ results online at the Indiana Parent Network <https://indiana.ctb.com>

October, 2015

Dear Parent/Guardian:

The Indiana Department of Education provides the Invitation Code below to claim your child's ISTEP+ results on the **Indiana Parent Network**.

Invitation Code: **XXXX-XXXX-XXXX-XXXX**

This website can help you support your child by providing your child's Spring 2015 ISTEP+ results for each of the subject areas (available in early November).

Once you have reviewed your child's results, if you determine that a request for rescore is appropriate, access the new **Rescore Request Form** in the Indiana Parent Network and request one or more items be rescored. Please refer to the "Guide to the Rescore Request Form" located on the Indiana Parent Network for more information. The link is on the Home page under the Explore section.

**Please note:** Rescore requests must be submitted during the "Rescore Window" (dates are posted on the "Welcome to Indiana Parent Network!" page in the Indiana Parent Network). If your child's test score changes as a result of a rescore, updated ISTEP+ scores will be posted on the Indiana Parent Network when the final student reports are posted.

The information listed below will be available in the Indiana Parent Network when the final ISTEP+ results are released in December:

- Your child's Spring 2015 ISTEP+ Performance by standard in each subject area
- Access to personalized resources
- At-home learning activities

If you have any questions, please contact your school principal.

Sincerely,

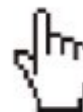

Indiana Department of Education
