NORTHWEST

(219) 980-6832

IU Northwest is proud to announce the new Free Online Science chatroom tutoring for high school students, grades 9-12 available Sunday - Thursday, 6-10p.m.

What is the Online Science Help?? The Online Science Help chatroom reinforces science concepts and helps students develop better problem solving skills using the IU Northwest Oncourse chat rooms. It is a great tool for students of all academic levels.
