

Student Analytics Report: Performance

Teachers may choose to print and share this report about your child's progress in *MATH 180*. Use this tab to track *mSkills* results, performance across Topics, and overall performance.

1 Recent Badges

Note your child's recent achievements in the software.

2 Progress Tracker

See your child's overall performance across each Block and his or her performance in each software zone.

3 mSkills

Monitor your child's understanding of the Block's objectives based on *mSkills* performance, and identify which Topics your child is showing mastery in.

4 Quantile Growth

See your child's growth after each SMI administration.

Martinez, Joey

Overview

Current Topic	Average Sessions Per Week	Average Session Time	Lessons Per Week	SMI Score	Grade Level Proficiency
2.3	2.9	24 min	2.6	940Q↑	Proficient

1

Recent Achievements

- EMT
- Journalist/Blogger
- Lawyer

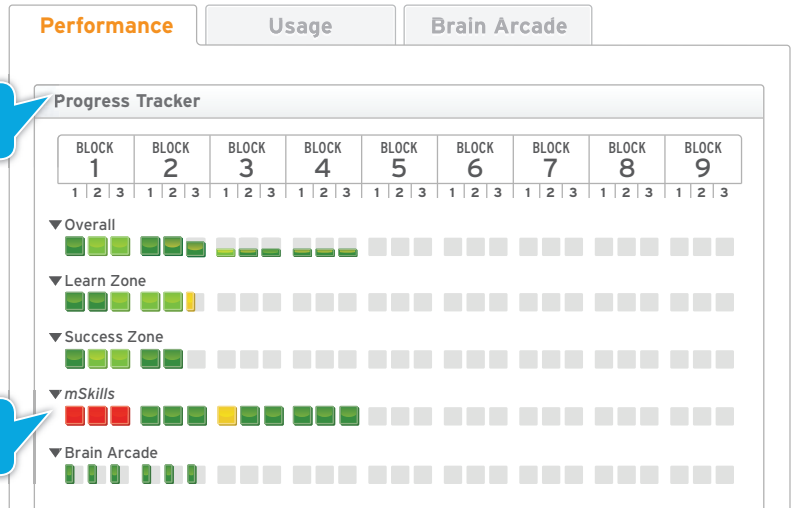

Upcoming High Risk Topics

- Apply the Commutative Property
- Find Factor Pairs

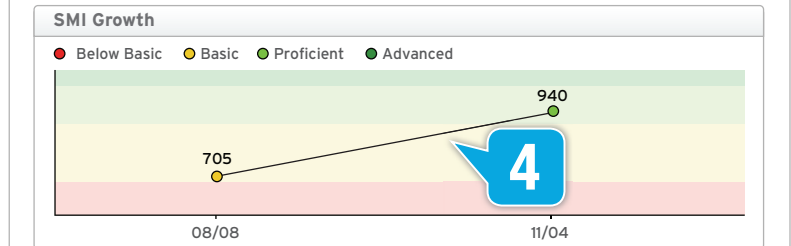

Individualized Recommendations

Ensure that Joey logs in to the software at least 3 days a week...[more](#)

Student Analytics Report: Usage

Use this tab to ensure your child is using the software with appropriate frequency.

1 High-Risk Topics

Identify which Topics or skills your child needs to pay additional attention to.

2 Software Usage

Monitor the number of minutes your child is on the software over different time intervals.

3 Brain Arcade Usage

See how long your child plays Brain Arcade games on a daily, weekly, and monthly basis.

Student Analytics Report: Brain Arcade

Use this tab to monitor and compare performance in each Brain Arcade game your child plays.

1 Recommendations

Encourage your child to complete the recommendations listed here.

2 Total Time Played

Monitor the total time your child spends in the Brain Arcade, and encourage your child to play at home.

3 Stars Earned

Congratulate your child for earning these stars! They're not easy to win and are awarded for outstanding game performance.
