

Career Volunteer Form 1.2 Presentation Help

The following are areas that would be best addressed during the presentation:

- Job title
- Quick overview of career
- Where did you go to college and for how long?
- How would you describe the average day in your job?
- What kinds of problems do you solve?
- What were your grades when you were in school?
- What subjects were important in school?
- What skills are important in your field?
- What lifeskills (perseverance, organization, honesty, etc.) are important?
- Why do you like your job?

The following are questions that students may ask:

- How much money do you make?
- How long is a normal day for you?
- Is it hard to get a job in your field?
- How did you pay for college?
- What inspires you?
- Does your job take you away from home?
- What downsides have you found in your job?
- Do you need technology?
- What jobs did you have before this one?
- When did you know what you wanted to be?
- How long have you done this job?
- Have you ever thought about changing jobs? Why?
