Members of the Community:

Last year, the School City of Hobart implemented a program called Team LEAD. It is a bystander leadership program that teaches students how to deal with relational aggression. We started out with 50 members at the high school and at the start of school this year we had 83 students involved in Team LEAD. While this is great, we realize that we need to focus on our female students and help to improve their self-image and etiquette.

We are sponsoring a "Diva Day" for all of our female students. We really want to empower all of our girls and teach them to like who they are on the outside, as well as, the inside. While it is important for women to feel "pretty" and like what they see when they look in a mirror, our main focus is going to be on getting them to like the person they are on the inside. "Diva" stands for Determined, Intelligent, Valuable, and Awesome, and at the end of the day, we want the students to walk away truly feeling this way.

Hobart has always been a strong community and we thought the best way to reach our goal, would be to ask for support from members of our community. **"Diva Day" will be held on Saturday, November 1, 2008 from 10 am - 3 pm at the Hobart High School.** We are looking for help and support in any of the following areas: Public Speakers, Health & Fitness, Nutrition, Goal Setting, Makeovers, Age Appropriate Dress, Food, Goody Bags, etc., or feel free to share your ideas. All sponsors will be recognized in our advertisements, as well as having their name printed on the back of our "Diva Day" T-shirts. **If you or your organization would like to be a part of "Diva Day" please fill out the form and return it by Wednesday October 15, 2008.**

If you have any questions feel free to contact Lauren Swafford by email swaffordclass@hobart.k12.in.us or phone (219) 689-8876.

Thank you for your support,
